TRADEMARKS & TECHNOLOGIES

FloorNdure™

With FloorNdure™, our hard flooring really go the distance when it comes to strength and durability. And why not? After all, flooring is where the foundation of a home is.

Wel-Lock™

Wel-Lock™ technology allows the tiles to fit into one another in a unique locking mechanism. This ensures strong locking at the joints and makes installation a quick and effortless process. It also ensures that you get that beautifully seamless look on the floor.

ScrapeGuard™

ScrapeGuard™ technology uses a layer with special coating, that offers protection to the design underneath from scuffs and scratches meanwhile retaining the look and longevity of the tile. So, you can say goodbye to the everyday scratches and scrapes.

StainProtect™

StainProtect™ layer is specially designed to offer superior stain resistance, to keep your floor always clean and sparkling. Now, go and make that splash!

GermiShield™

Welspun Flooring's Click-N-Lock Tiles® come with the innovative GermiShield™ technology, which restricts the growth of harmful germs or molds on the floor. Healthy homes begin with healthy floors.

Cushion Back

Welspun cushion backing provides improved comfort and cushion impact under the foot and makes walking relatively comfortable for heels and hard leather shoes. Also, cushion backing helps reduce tapping sound.
